

Morning Drop Off

2021-2022

Drivers will enter via the outside parking lane, as in years past

Loop around to drop off students along the curb

Drivers will enter via the outside parking lane, as in years past

Loop around to drop off students along the curb

Afternoon Pick Up Procedures

Drivers may start to line up at 2:00

Enter via the outside parking lane, as in years past - Cones will be set up.

Loop around to park in **8** lanes, according to age of youngest rider

6th Grade: Lanes 1, 2, 3, & 4

7th Grade: Lanes 5 & 6

8th Grade: Lanes 7 & 8

Traffic cones will be set up at the front of the lanes

At 2:43, students will leave school and walk directly to their cars

- This should eliminate students grouping up on the car ramp

6th Grade students will walk to their cars along the sidewalk

7th Grade students will walk to their cars along the first median

8th Grade students will walk to their cars along the second median

8th Grade students will walk to their cars along the second median

If a car is missing their rider when we start to release, they WILL NOT WAIT
Instead, they will loop around again to Lane 1
