

Haughton Middle School

Carline Procedures 2023-2024

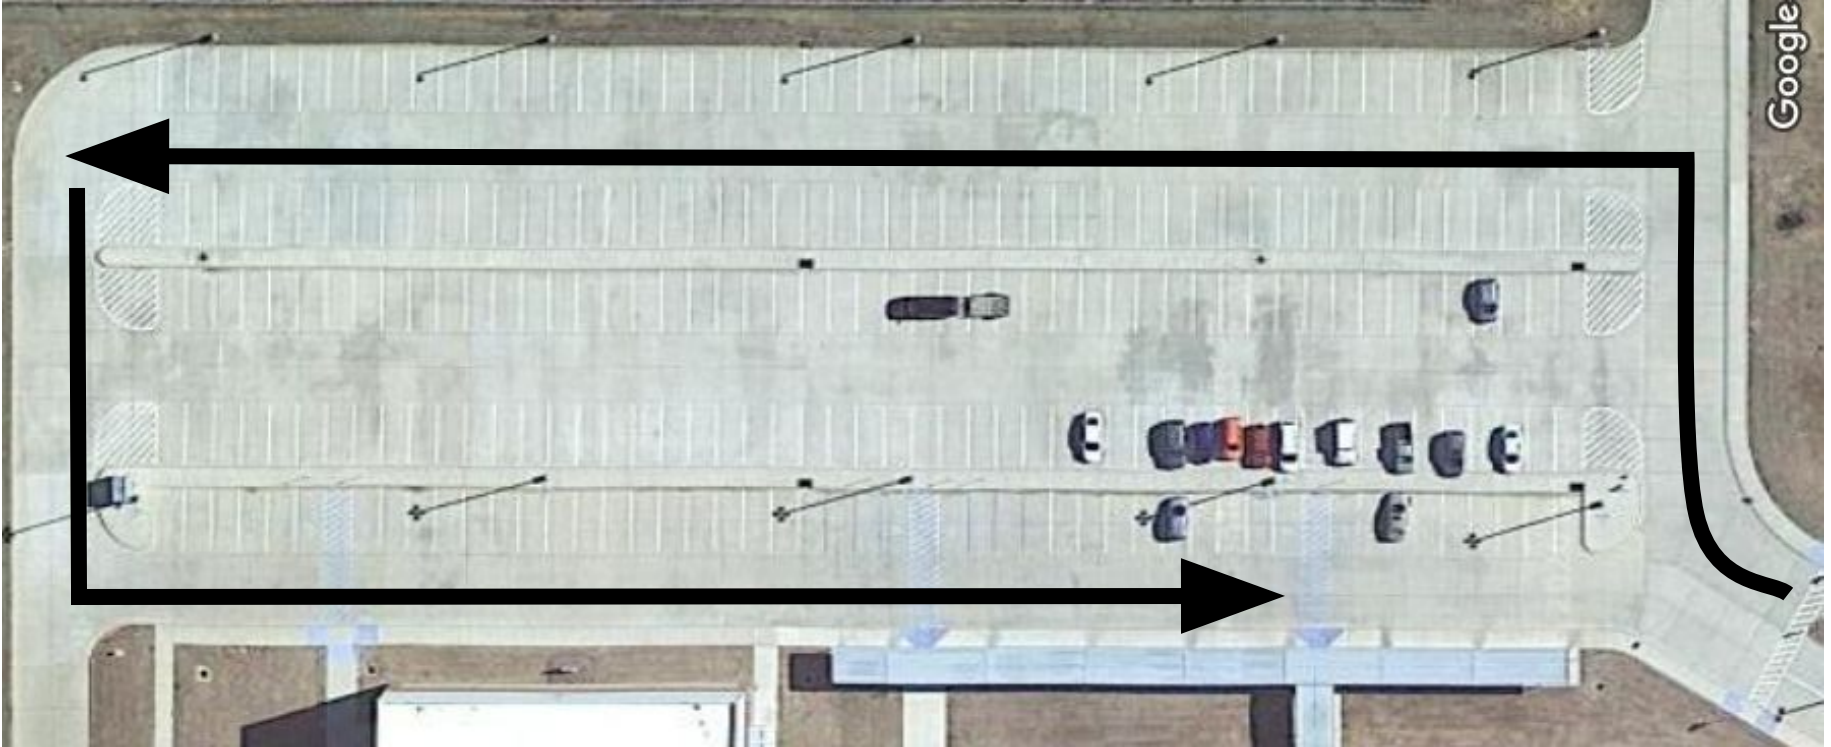

Morning Drop Off Procedures

Drivers will enter via the outside parking lane, as in years past.

Loop around to drop off students along the curb.

Please pull all the way to the front before letting students out.

Watch for direction from Staff on Duty.

Students may exit vehicles beginning at 7:10am.

Afternoon Pick Up Procedures

**Drivers may start to line up at 2:00.
Enter via the outside parking lane.**

At 2:35, students will leave school and walk directly to their cars

- This should eliminate students grouping up on the car ramp.

6th Grade students with last names beginning with letters A-K will walk to their cars along the sidewalk (yellow arrows).

8th Grade students will walk to their cars along the second median (Yellow Arrows)

When cars are loaded, we will release lane by lane.

If a car is missing their rider when we start to release, they WILL NOT WAIT
Instead, they will loop around again to Lane 1.
