## *Haughton Middle School Football Contract*

### **Practice**

Practice is not an option for any player. Attendance is required at all practices unless there is a medical emergency or excuse that has been approved by the coach. Missing two practices without the coach's approval (unexcused) may result in dismissal from the team.

### **Behavior**

Proper behavior is required of all players at practice, at games, on the bus and during school. All improper behavior reports from teachers will result in extra conditioning. Any referral received during the season or excessive discipline reports from teachers may result in dismissal from the team.

### **Grades**

A 1.5 GPA is required by the Bossier Parish Middle School Constitution. A player may not have 2 or more F's during their most recent grading period. All players are responsible for maintaining their grades during the season.

### **Playing Time**

Playing time is a coach's decision. At NO TIME will playing time be discussed with a parent. At this level we play and coach to win the game. No one is guaranteed playing time.
