

All Immunizations/Boosters are required at the start of the school year on an updated Louisiana Health Card. If your student received updated immunizations over the summer you will obtain a new, updated LA Health Card from your physician. If your student is in need of an update, please contact your physician or the Bossier Health Unit. Click on the link below for the Shots for Tots scheduled locations. If you are from out-of-state and are enrolling your child into Bossier Parish Schools you can take your child's immunization information to a physician or an area Health Unit to request the info. be transferred onto a Louisiana Health Card. Please keep in mind that even for established patients most clinics require at least 24 hours notice to complete this for you. Since school has begun, it's a good idea to alert your school nurse and office staff that you are in the process of acquiring the necessary records.
