

The Bossier Parish School's Talented Arts Program is led by professional artists who inspire, enrich, and foster growth of students in the disciplines of art, music and theater. These exceptional students are in the top two percent of all students in the parish. The Bob and Candy Maynard Scholarship is awarded annually to Talented art, music, and theater students continuing their talents after graduation and beyond. It was established in May of 2018, in memory of Candy Maynard who taught in the program and in honor of the Maynard family who continue to contribute to the Bossier Parish Talented Arts Program.

To help fund this scholarship, the Talented Arts Program will be hosting the 4th Annual **TAP Lagniappe** Scholarship Fundraiser, Friday, April 29, 2022 from 5:30 p.m. to 8:30 p.m. at the East Bank District and Plaza. The event will offer live entertainment from TAP students and an art auction. We are hoping for a lot of community involvement again this year through donations for the scholarships. Last year we awarded three \$1,000 scholarships to TAP Seniors in each discipline. This would not have been possible without the generous donations of our sponsors.
